

12 АПРЕЛЯ - ДЕНЬ КОСМОНАВТИКИ!

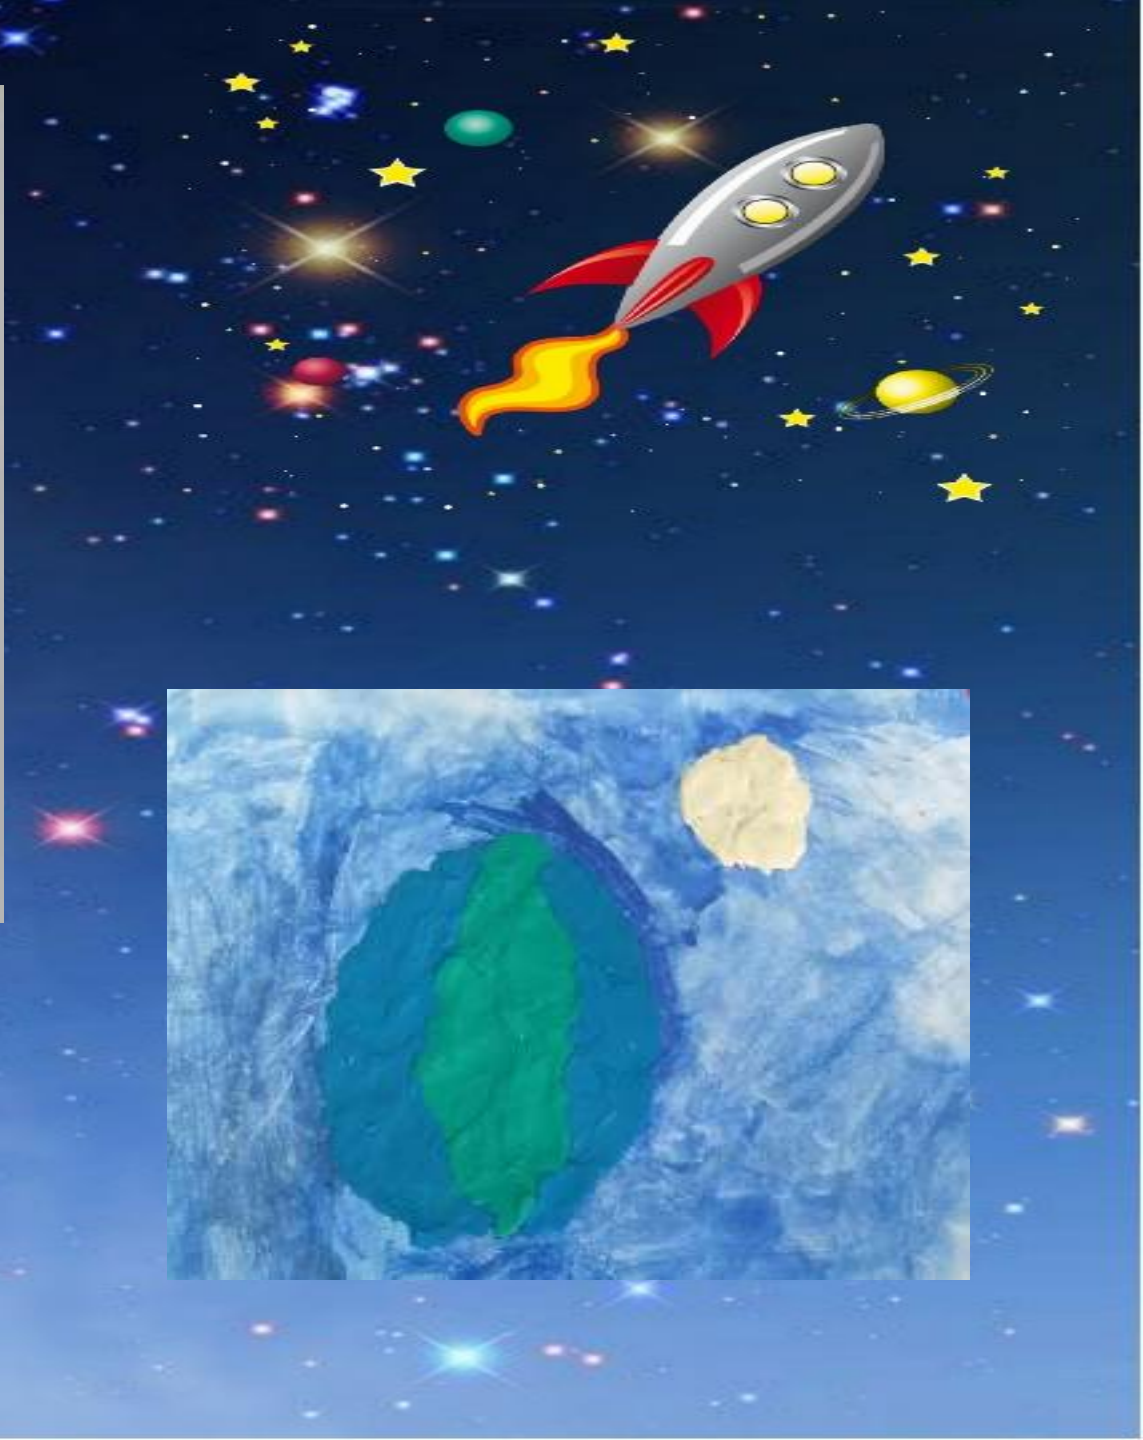

Группа № 7
«Капельки»

A vibrant, cartoon-style illustration of outer space. In the upper left, a rocket with a red and orange body and a yellow nose cone is shown with flames and smoke coming from its engines. To the right, a green and yellow UFO with a blue dome is flying. Below the UFO, a green alien with large eyes and a blue helmet is floating. The background is a deep blue and purple space filled with stars, a bright yellow star in the upper right, and several colorful planets in shades of blue, orange, and red. A large white oval with a brown border is centered in the lower half of the image, containing the title text.

2020/4/12 17:23

A vibrant space-themed illustration. At the top left, a rocket with a red and orange body and a silver nose cone is shown flying towards the right. To its right is a green and blue UFO. Below the UFO, a green alien with large eyes and a blue helmet is floating. The background is a deep blue space filled with stars, a yellow star in the upper right, and several planets in shades of blue and purple. A large white oval with a gold border is centered in the lower half of the image, containing the text.
